

Utah Public Health Association
Public Health Hero/Heroine Award

There are 3 categories for this award:

- An individual from the community
- A public health employee
- A group, organization or project

The following are criteria for each category:

Individual from the community

- The individual's main job is not in public health
- The individual has raised awareness of public health issues
- The individual has been willing to take a stand/risk relating to public health
- The individual has proven exceptional service to the community

Public health employee

- The employee's main job is in public health at the state, local, or community level
- The employee's efforts have been over and above their regular work assignment
- The employee has shown leadership/courage
- The employee has made a difference in public health

*Group/Organization/Project**

- The group/organization/project has made a significant impact on public health
 - The group/organization/project is unusually creative or innovative
 - The group/organization/project involves multiple people
- * The group/organization/project can include Utah Department of Health programs

This award will be presented at the Public Health Conference for Utah on April 26th, 2019. **All nominations and supporting documents must be received by 5:00pm on Friday, March 15th, 2019. If you have any questions, please contact Lori Greene at lgreene@co.weber.ut.us or 801-399-7189.**
